KAŞ: CITY TOUR & SUNSET CRUISE

Discover a tour that seamlessly combines two types of vacations in one. First, enjoy a relaxing stroll through the city. You will wander through narrow streets, admire old houses with colorful windows, step onto the stage of the ancient theater, explore ancient tombs, and occasionally stop to admire the spectacular views of the Mediterranean Sea.

Then, the city gives way to the sea—a boat trip among peaceful islands and bays follows. You will have time to swim in crystal-clear waters, enjoy dinner on board, and take in a few hours of complete relaxation at sea.
