 **OZIREA ISLAND**

Haven't heard of Ozirea yet? It is the new premium location in the Giftun archipelago worth discovering.

The tour begins with a sea ride aboard a speedboat. The first stop is for snorkeling in the open sea at one of Hurghada's finest spots. Then, you will visit the uninhabited island of Abu Minqar, a true natural reserve.

Finally, Ozirea Island awaits. Everything here is set up for relaxation: access to a private beachfront with sun loungers and umbrellas, an exclusive zone, and a premium experience completed by an open buffet.
